

Important Information from the Landlord and Tenant Board

The termination date

Exception: The termination date must be at least **28 days** after the landlord gives you this notice if your tenancy is daily or weekly (you pay rent daily or weekly). Also, the termination date must be the last day of the rental period. For example, if you pay rent weekly each Monday, the termination date must be a Sunday. If the tenancy is for a fixed term, the termination date cannot be earlier than the last date of the fixed term.

What if you disagree with the notice?

What if you move out?

If you move out of the rental unit by the termination date, your tenancy ends on that date.

What if the landlord applies to the Board?
